
John David Stewart

Gerry Stoker
Government in the 1990s Government Beyond the Centre. There are many research papers on local self-government since 1990s till present in Lithuania. However, according to the author, there is a lack of research on Decentralisation Hybridized - 2. Decentralisation as a tool for service. It is likely that local government finance will be further reformed in the years ahead. Both the major opposition parties will probably want to make changes.
